

Dean Andrews, about 5/21/68

FBI and about 2,000 pictures to show him, more than anybody else.
Cuban pictures.

Although earlier he told me C had been to his office but five times in all, later he said he ran him out of the office 24 hours a day. This trip was full of lies, like saying he knew nothing of ESRP when last time he told me that is where Banister's files ended.
